### RE: Meeting request

Dear Mr. Bellew,

Dear Mr. Wilson,

We note that you have not responded to our letter of August 30<sup>th</sup> (attached).

In this letter we proposed – on behalf of your pilots and the national pilot unions that represent them – a constructive and effective way to de-escalate the current conflict between Ryanair and its pilots and suggest a joint meeting in the very near future, as we do believe that industrial peace can pay dividends for everybody.

As we have not heard from you – except some unconfirmed media reports – we reiterate our invitation to meet with us as soon as possible, in order to discuss the issues outlined in that letter which are common to any pilot within the company.

We expect your response to our letter and invitation by September 06<sup>th</sup> 12:00 CET.

With best regards,

Enda Ryan  
RTPG President
